It was a two-day interactive seminar event, which was attended by 150 Plus students of std VIII-IX of Vivekanand high school -chamber. During this event the major goal was to make students aware of the current challenges, talk about things which people generally don't talk about, give them some new ideas and perspective, and let them talk their heart out. The event was conducted under the campus of VES business school. All the students were escorted by the volunteers & teachers and were also provided with refreshments. The event took place between 7:30 to 10:30 AM on both the days and the topics discussed were as follows. ☐ Financial awareness and responsibilities among teens ☐ Career advice, where one can BE what they want to BE ☐ Mental health awareness & how to deal with it ☐ Modern days strategy of proper internet handling. At the end of event on each day, few students were selected, who were most participative and engaging and were rewarded	150	SDG-3 SDG-4 SDG-8

with exciting gift. The event ended on a great note and received quite a lot of appreciation from teachers and students as well.
